---

Advanced JDM Parts (AJDMParts.com) has been in the automotive industry specializing in high performance parts, lighting, and accessories for over 10 years. Having achieved excellence and great reviews in the National & International market we hope that each and every customer is satisfied with our product and services. Our range of products varies from bolt-on parts like steering wheels, quick release, adapter hubs to FULL high performance parts such as turbo kits, headers, and manifolds. ALL of the product lines we carry are some of THE best in the industry and carry the guarantee and warranty to back them up.

One of the major brands we are official AUTHORIZED dealers for is JDM Sport. A new and innovative brand in the automotive market. They pride themselves on in-house research and development assuring quality performance parts with affordable pricing on most of their popular product lines. Whereas very competitive on their professional performance lines. The other lines we carry are already established and well name brands that you may already recognize and know their quality first-hand. Our well-trained and experienced world class customer service team will walk you through your purchase and answer any of your questions and concerns reassuring your satisfaction of your purchase experience with us.

Our 30,000 sq. ft. distribution warehouse carry many brands and more than 3,000+ different variety of aftermarket performance parts, brand new, in stock, and ready to ship. We've sold over 1 million products and growing every day. We ship within the United States and world wide, for further information in regard of world wide shipping and affiliate/wholesale pricing please inquire with our customer service department.

We look forward to helping you in your search and help you build your dream vehicle. If we don't have the product/brand in our line, please feel free to inquire with our customer service through e-mail or give us a call at 626-330-0280.

Advanced JDM Parts (AJDMParts.com) TEAM!

Thank you for your business.
